QUARTERLY Student CAPACITY (Seat Availability)

BY GRADE LEVEL

AS OF THE QUARTER BEGINNING 10/1/2026

Below is our student capacity/seat availability, by grade level. We are required to update this information every 12 weeks --please note that the capacity number may change during the 12-week period as students may withdraw and new students apply. As an alternative high school program that allows students to earn a state-recognized diploma to age 21, our enrollment is skewed towards upperclassmen.
